

Jorge Mas Canosa Middle School Cambridge Lower Secondary Program

VISION

At Jorge Mas Canosa Middle School our vision is to be a leading institution recognized for excellence in middle grades education with a global perspective. We aspire to develop young minds through the Cambridge International Lower Secondary Program, instilling in them a profound global mindset. Our commitment extends to cultivating analytical skills that enable students to approach challenges with insight and creativity. Embracing the digital era, we envision a learning community where students master digital literacy, adapting seamlessly to the evolving demands of the 21st century. As a result, our graduates will be empowered, socially conscious, and equipped with the skills needed to thrive in a rapidly changing world.

MISSION

Our mission is to empower students through the Cambridge Lower Secondary Program, fostering a dynamic learning environment that cultivates a global mindset, sharpens analytical skills, promotes digital literacy, and prepares students for success in the 21st century. We are dedicated to nurturing well-rounded individuals who embrace diversity, think critically, and thrive in an interconnected world.
